### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of Claims 80, 89, 91, 92 and 98 of the waters of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

The water granted under this permit is considered to be commingled with the waters granted under Permits 47608 and 47609.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed the diversion rate as decreed: 600 acre-feet annually, but not to exceed 600 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before June 28, 1986

Proof of completion of work shall be filed before July 28, 1986

Application of water to beneficial use shall be made on or before June 28, 1989

Proof of the application of water to beneficial use shall be filed on or before July 28, 1989

Map in support of proof of beneficial use shall be filed on or before July 28, 1989

Completion of work filed AUG 12 1986
